

Bump In for Wallsend Winter Fair, 13 August 2017

Stall holders may either follow the official procedure (see file attached) or park in the Coles car park and walk/cart their items to the site.

If you choose to follow the official procedure:

Bump in is between **6am and 7.30am**. The road will be CLOSED from 7.30am onwards.

Enter at the Bunn and Nelson Sts intersection. Let them know you're with "Art Bazaar".

Proceed down Nelson St and eventually turn right at Dan Rees St.

Park in Dan Rees St to unload only. Then move your car **before** setting up. There should be some car spaces available:

- in the solicitors' car park opposite Art Bazaar
- in the Dan Rees St dead end
- along Council St
- in the car parks of some of the businesses backing onto Council St.

If you choose to park in Coles car park and walk over:

Bump in is between **6am and 8am**. Remember that the public will also be looking for somewhere to park, so you'll want to get in early.

Walk your goods and gear to the site. It is about 80m from the car park, across the footbridge, to the stalls.

See map on next page.
