Stall holders should enter from the Bourke St intersection, at the road closure. Traffic is one way. To minimise congestion please stick to your allocated time slot to arrive and unload, and move your car **before** setting up. If you need someone to mind your items while you park please ask one of the committee members.

Parking

Please see map for parking options. There is some unlimited street parking in the back streets the other side of Ken Tubman Drive. There is also off street parking nearby, but it mostly has a 3 hour limit (4 hours at Reading Cinema).

Weights

As the area is paved you'll need to use weights rather than pegs. Please remember to fill your weights **before** you leave home, as there are no suitable taps on site.

Take Away Cafés

Some of the cafés in the Levee provide take away services. From left to right on the stall holders map they are:

Lavenders Riverside Café – take away beverages

Black Label Espresso – take away beverages, 50¢ off if bring your own keep cup

Michel's Patisserie – take away

The Orange Tree – take away, anything on the menu

Jewells on the Levy – take away from menu in the window, and will also deliver to stall
